1 A. Actually, yes, it is.
2 Q. Are you an employee of Alemar at this time
3 today?
4 A. Yes.
5 Q. Is that your fulltime employment?
6 A. Yes.
7 Q. When did you become a fulltime employee of
8 Alemar?
9 A. Around November of 2003.
10 Q. Okay. Why did you leave Temple?
11 A. There was an administration that came in that
12 I wasn't really -- I didn't like them, so I decided
13 to leave.
14 Q. Prior to that time, had you been working on a
15 parttime basis for Alemar?
16 A. Yes.
17 Q. What -- strike that.
18 Under what states' laws is Alemar
19 incorporated, if you know?
20 A. Pennsylvania I believe.
21 Q. Prior to your work for the Atlantic City
22 School Board, had your work been primarily for
23 Pennsylvania schools and school districts?
24 A. Yes.
25 MS. WEINSTEIN: Objection.

Page 16

1 Q. 1997, I believe, is that about when the
2 program started?
3 A. Yes.
4 Q. Is that right?
5 A. Yes.
6 Q. And so, did Mr. Nickels call you or send you
7 a letter or how did he communicate that he wanted you
8 to attend a meeting?
9 A. I actually don't recall.
10 Q. Did anyone from ComTec Consulting contact you
11 at the same time to tell you about this opportunity?
12 A. I don't recall.
13 Q. Do you recall when you were invited to attend
14 that meeting?
15 A. October or November of 2002 I believe that
16 was.
17 Q. And did you have a meeting?
18 A. Yes.
19 Q. Who was present at the meeting?
20 A. Present was -- I don't recall everyone, but
21 I'll give you who I recall.
22 Mr. Nickels, Miss Haye, another assistant
23 superintendent, male, may have been black, I'm not
24 sure, Mr. Gallagher -- is he on the board? He's an
25 attorney on the board, I believe, so Mr. Gallagher

6 MS. WEINSTEIN: Objection.
7 THE WITNESS: No.
8 BY MR. KIRCHNER:
9 Q. How were you introduced to the Atlantic City
10 School Board?
11 A. I was invited by the superintendent to a
12 meeting.
13 Q. The superintendent Mr. Fred Nickels?
14 A. Yes.
15 Q. How did Mr. Nickels know you, if you know?
16 A. Mr. Nickels heard from a company called
17 ComTec that I worked with E-Rate and they recommended
18 that he contact me to talk about their E-Rate status.
19 Q. Is E-Rate consulting the primary business of
20 Alemar?
21 A. Yes.
22 Q. How long has Alemar been in the E-Rate
23 consulting business?
24 A. Since the program's inception, eight years or
25 seven years.

Page 17

1 was there.
2 There was another board member there who is
3 no longer on the board. There was an officer, a
4 police officer, I believe. There was also the
5 interim business administrator and the school
6 district's business manager, and probably one or two
7 other people.
8 Q. The interim business administrator, would
9 that be Lesley Motz?
10 A. Yes.
11 Q. And the business manager, is that Elisha
12 Thompson?
13 A. Yes.
14 Q. Was Marilyn Cohen at the meeting?
15 A. I don't recall. I do not believe so.
16 Q. How about John Jones, was he at the meeting?
17 A. No.
18 Q. And did Mr. Nickels run the meeting?
19 A. I believe so, for the most part.
20 Q. And what did you discuss at that meeting?
21 A. They discussed -- the district was fearful
22 that they may not have complied with the E-Rate for a
23 number of years. They wanted me to review their
24 E-Rate submission, most especially for Year 5 and let
25 them know where they were.

Mr. Martin Friedman
Atlantic City Schools
1809 Pacific Avenue
Atlantic City, NJ 08401-6803

Dear Mr. Friedman,

MICRO Technology Groupe, Inc. (MTG) of 311 A Old Rodgers Road, Bristol, PA is pleased to present this proposal for the Districts' Year 7 E-rate applications.

Please be aware of a few things. First, MTG has responded to the areas of the bid that are within the expertise of MTG Engineers. We have offered "no bids" in areas where we do not feel we can provide the district with the best level of service.

Second, we have bid the number of items as specified in the bid, but have also made recommendations on the actual number of units we feel is needed by the district.

Third, we have provided the necessary documents – including reference letters, list of references, and E-rate contracts.

MTG is very familiar with the Erate program and providing products and services to schools via Erate. This includes the proper invoicing of goods and services approved by the SLD.

Please take a few moments and review the information. We would appreciate the opportunity to speak to you and the school about the products we have recommended.

I can be reached at 610-777-8650 or at rich@mtgroupe.com if you have any questions.

Thanks for your time and consideration.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rich Linkchorst', is written over the typed name.

Erate Contract

Contract # Y1-00100AC

This contract is based on the funding commitment from Schools and Library Division (SLD) of the Universal Service Administrative Company (USAC). The commitment made here is contingent on the school entity being approved for funding by the receipt of a Funding Commitment Decision Letter from the USAC for the requested amount. If funding is reduced, the school has the option of reducing the scope of the contract accordingly. If, for any reason, funding is denied, this agreement would then be null and void.

MTG requires the school to file their Form 486 as soon as possible after Erate approval is granted. MTG will not process any orders until the SLD approves the 486 and notifies MTG that the 486 has been processed. MTG will notify the school when the 486 is processed to begin the order process. MTG requires a valid school purchase order and a deposit before any products or services are delivered. The deposit comprises the schools' 10% of the eligible and 100% of the ineligible product.

Any products or services that are not paid by USAC and/or SLD upon receipt of an invoice from MTG must be paid by the school.
